Bratislava - Paradox Church

None... can say to him: "What have you done?" Daniel 4:35c

New year in Paradox started with a series of in the book of Daniel reminding us Sunday after Sunday that it is the LORD who rules, despite how it looks in our Slovak Babylon.

With January also came our "training month". People could sign up for one of five courses to get equipped in various competencies (personal evangelism, spiritual formation, pastoral care, leading a group, teaching the Bible as one book). It was encouraging to see the uptake and how people stuck through. We want to be a training and equipping church.

After a very busy start to the year, we were able to enjoy a week with friends in London area. For the first time as a family together we were able to visit the sights and even enjoy a West End musical. How fun!

Oliver (15), Ruben (11), Silvia, Tomáš and Karolína (14)

Silvia and I are doing well, by God's grace. After many years, we now have a regular rest on Wednesday mornings. Its becoming our favourite part of the week. The burdens we get to cary at the moment are mainly other church planter families from Slovakia. Please pray for spiritual depth and more coworkers (Mt 9:37-38)

Petržalka church plant

Martin Kaščák is our church planting trainee who has moved to the South side of Bratislava, the largest council estate in Slovakia - Petržalka. Would you pray with us for a core team of 20 people to join? Currently there are 9 people who have committed to going and launching in January 2027. More in the video.

"That which will make us most happy when we possess it, will make us most joyful when we meditate on it". R. Baxter The Saint's Everlasting Rest (my currently most recommended book)

May the joy of the LORD be your strength.

Podcast

We recently started a new podcast with episodes around our church's three core values:

CHRIST | COMMUNITY | CITY

Our primary aim is to disciple our members, but also to speak to other Christians around Slovakia about topics not often talked about, books that are influencing our culture or we bring stories of faithful men and women.
